

About Our Providers

Assist America

Founded in 1990, Assist America, Inc. is the nation's largest provider of global emergency assistance services in partnership with employee benefit plans. Its worldwide network of professionals responds quickly to any eligible member who becomes medically compromised while traveling away from home. The company, headquartered in Princeton, New Jersey, serves more than 30 million members and over 300,000 enterprises through programs from the world's most prominent group benefit providers. For more information about Assist America, visit www.assistamerica.com.

iJET International

iJET is an intelligence-driven provider of operational risk management solutions, working with more than 500 multinational corporations and government organizations. Capitalizing on our proprietary technology and network of security, intelligence and geopolitical experts, we deliver a full array of customized intelligence, preparedness and response solutions.
